## THE USE OF THE CERTIFICATION MARK

### 1. INTRODUCTION

These Regulations relate to the SGS System Certification Mark (the "Certification Mark") as shown in the Appendix 1 owned by SGS Société Générale de Surveillance SA (SGS SA) and licensed to SGS Belgium NV – Certification and Business Enhancement (the "Certification Body") for the purposes hereof.

The Certification Mark shown in Appendix 1 is an example and it should never be used by the Client as is.

**The Certification Body will provide the Client with the right logo to be used.**

**Contact: [be.ssc.rap@sgs.com](mailto:be.ssc.rap@sgs.com)**

SGS SA reserves the right to replace the Certification Mark as shown in the Appendix 1 by another certification mark at any time.

Use of the Certification Mark for a renewable three-year period is strictly limited to the Client whose management system has been successfully certified by SGS Belgium NV - Certification and Business Enhancement.

### 2. DEFINITIONS

- (a) "Accreditation Body" means the body that has accredited the Certification Body for certifying management systems of third parties.
  - (b) "Accreditation Mark" means the Accreditation Body's mark licensed to the Certification Body and sub licensed to the Client whose management system has been successfully certified.
  - (c) "Certificate" means the certificate of conformity and assessment schedule issued by the Certification Body specifying the scope of certification of the Client.
  - (d) "Certification Scheme number" means the number, which is indicated in each particular Standard.
  - (e) "Client" means the company to whom a Certificate is issued.
  - (f) "Codes of Practice" means a technical document describing SGS Société Générale de Surveillance SA's conditions under which the Certificate and the Certification Mark may be delivered, renewed, suspended or cancelled.
  - (g) "Communication Media" means Client's advertising such as advertisements, displays, posters, TV advertisements, promotional videos, web sites, brochures, Client's promotional goods such as pocket diary, coffee mugs, coasters, doormats; Client's outdoor advertisements such as billboards and signs; Client's stationery such as sales and contractual documents, letterheads, business cards, invoices, compliment slips; Client's vehicles, Client's flags and window stickers and any other communication media intended for his customers.
  - (h) "Improper Use" of the Certification Mark means any use which infringes these Regulations. It also means imitation, counterfeiting and dilution of the Certification Mark.
- (i) "Standard" means the specifications that the management system should present as well as the means of controlling the compliance of the management system to these specifications.
  - (j) "Use" means the lawful, authorized, restricted, non-exclusive, limited and revocable right to use the Certification Mark.

### 3. USE OF THE CERTIFICATION MARK

#### 3.1 The Client agrees that:

- (a) It will use the Certification Mark only in the manner prescribed herein and in the Certificate.
- (b) It will use the Certification Mark only in relation to its scope of certification.
- (c) It will use the Certification Mark on its Communication Media in such a way as to create no confusion between matters referred to in the scope of certification and other matters.
- (d) It will not use the Certification Mark on its products and their primary packaging in order to avoid confusion with product certification; However, it may use the Certification Mark on larger boxes or over-packaging that can be reasonably considered as not reaching end-users but only in association with a statement that the product was manufactured in a plant whose management system has been certified.
- (e) The Accreditation Mark shall always be used in close association with the Certification Mark and shall not be used in isolation.
- (f) When used on stationery such as letter-head, compliment slips, business cards, invoices, on advertisements such as displays, posters, TV advertisements, promotional videos, websites, brochures, on outdoor advertisements such as billboards and signs, the Certification Mark may be used without or in combination with the Accreditation Mark.
- (g) When used on flags, on vehicles, on larger boxes or on over-packaging not reaching end users, on window stickers, on promotional goods such as pocket diaries, coffee mugs, coasters, doormats, the Certification Mark shall be used without the Accreditation Mark.
- (h) It will not use the Certification Mark or the Accreditation Mark on test reports or certificates of compliance such as calibration certificates or certificates of analysis.
- (i) When posted on the Client's web site, the Certification Mark shall be used as an hypertext link from its web site to the following URL of SGS Société Générale de Surveillance's website <http://www.sgs.com/certifiedclients> and the Client shall sign a Link and SGS System Certification Mark Use Agreement that will be provided by the Certification Body.
